Marla,

I thought I'd sent all of my thank you cards for our house, but seeing you the other day made me realize I hadn't. (I'm embarrassed to say.)

We want to thank you for your help with the kitchen. We love it! We're just now buying stools and putting on hardware.

It took us a while to find the right things. We think it all turned out really well.
...and thanks again!

Thank you so much!

Take care,
Craig and Valerie
